## de Terra PAGE 3

De Terra is a collection full of unique earthy colors with contemporary shapes that complement any meal. It has a quality of effortlessness that can either be dressed up or down depending on your needs.

## MIRAGE PAGE 27

Shiny ocean blue reactive glaze on inner surface with a contrasting matte monochrome on the outside, the Mirage gives a mystery feeling. The one-of-a-kind reactive glaze captures movements of fluid across its surface, evoking one's overall senses.

## CRAFTSTONE PAGE 31

A handcrafted collection offering a contemporary take on the past. The top half is glazed with weathered hues of blue, while the bottom is unglazed for an organic look and texture. Along with the irregular shapes, Craftstone brings natural elements onto your tabletop.

## COZE PINK PAGE 35

Coze Pink comes in powder pink with white rims which gives this dinnerware an understated and contemporary look. Whether building a perfectly coordinated base colour, or mixing and matching to reflect your fun personality, this set is as versatile as it is attractive.

## COZE TAUPE PAGE 35

Coze Taupe comes in powder pink with white rims which gives this dinnerware an understated and contemporary look. Whether building a perfectly coordinated base colour, or mixing and matching to reflect your fun personality, this set is as versatile as it is attractive.

## NIGHT & DAY PAGE 41

Made from finest porcelain, Night and Day offers two distinctive colours - Midnight Blue and Daybreak. Finished in a natural glaze for a water tight seal making this set perfect for any use at anytime. This glaze creates a non-porous layer making these sets virtually impermeable to liquid, stains, and odors. With its simple yet graceful contours, this set brings the classic form and modern aesthetic to life.

# Modern Rustic Design

## BEACON GREY

A handcrafted collection offering a contemporary take on the past. The top half is glazed with weathered hues of blue, while the bottom is unglazed for an organic look and texture. Along with the irregular shapes, Craftstone brings natural elements onto your tabletop.

# NIGHT & DAY

by Don Bellini®

## Midnight Blue and Daybreak

Made from finest porcelain, Night and Day offers two distinctive colors - Midnight Blue and Daybreak. Finished in a natural glaze for a water tight seal making this set perfect for any use at anytime. This glaze creates a non-porous layer making these sets virtually impermeable to liquid, stains, and odors. With its simple yet graceful contours, this set brings the classic form and modern aesthetic to life.

## HANDLING & CARE

Don Bellini porcelain is practical and ideal for everyday use. It is dishwasher-safe, oven-safe and microwave-safe - unless it is decorated with precious metals.

All Don Bellini porcelain pieces are easy to clean using the soft side of a scrub sponge, warm water and regular dishwashing liquids. However, avoid using the abrasive side of the sponge, which might scratch or damage the surface of the product.

Our products are also dishwasher-safe. Make sure to select a low-temperature program and do not exceed the recommended amount of detergent. Load all of the pieces securely in the dishwasher to prevent items from colliding into each other or they may get chipped.
