

Don Bellini
de Terra

De Terra, the Latin words for “from the land”, comes in 6 earthy colors which collectively resembles an attractive rustic look : Matt Black, Sandy Khaki, Dark Brown, Light Grey, Livid Blue, and Luster Pearl.

This collection is designed for experienced and conscious customers who want to converge leading trends and functionality together. Unlike fully matt-finish porcelain, De Terra's half matt texture allows super easy cleaning. It represents a fusion of refinement and rusticity and can be well described as “farm-to-table 2.0”.

HANDLING & CARE

Don Bellini porcelain is practical and ideal for everyday use. It is dishwasher-safe, oven-safe and microwave-safe - unless it is decorated with precious metals.

All Don Bellini porcelain pieces are easy to clean using the soft side of a scrub sponge, warm water and regular dishwashing liquids. However, avoid using the abrasive side of the sponge, which might scratch or damage the surface of the product.

Our products are also dishwasher-safe. Make sure to select a low-temperature program and do not exceed the recommended amount of detergent. Load all of the pieces securely in the dishwasher to prevent items from colliding into each other or they may get chipped.
